Dirt Will Fly on the Atchieon-Santa Fe this Morning, and Work Pushed to a rinish.

The True Flans of the Frisco... Fort Worth A New Orleans Depot... Texas & Pacific Beorganization.

Dist Will Ply.

A telegram was received vesterday directing the immediate beginning of Lewis, who went in the interest of Henwork on the Santa Fe extention. In con-rietta to see Mr. Hoxie and J. Gould formity with this instruction, dirt will be broken on the road to-day, and there will be no let-up antil the work is flaished The point of beginning will be at the driving park, from whence about a mile of right-of-way has been secured by the committee, who are actively pushing their work

The Prison

There is every reason to believe, there are facts and the statements of unimpeachable gentlemen who are on the inside, to the effect that the St. Louis a San Francisco is now contemplating, has in fact virtually declied to build its line from Red river to the city of Bonham, thence to McKinney, from there to Grapevine and on to Fort Worth, and that this will be its main line in Texas. that this will be its main line in fexas.

It will, it is eaid, also pass through the little town of White Wright.

This is to in no way laterfere with the line to Paris over the Paris & Great Northern which that energetic city is now building, and which Dallas, Tex. April 27.—Next Tuesday lege, which is will give the 'Frisco contection with the branch of the Gulf, Colorado & Santa Fe, and a connection with the Marshall, Parls a Northwestern, but the fork will be at Red river, and, as stated, the main line in Texas will push tarough to Fort Worth on nearly an air line to make con-nection with the Fort Worth & R.o Grande to the Southwest, and the other roads which center at this mighty railroad city. Col. Smith stated to a GAZETTE reports Unit there was no shadow of doubt but the 'Frisco would build as above set forth, and that no stop would be made when Hed river was reached, but that it would push This has been a favorite scheme with

the 'Frisco people for several years, and now that the shrewd gentlemen composing its directors have reached this determination, it is plain to see what benefits will accrue to our city and also to the road in executing their plan.

There are rumors that the Santa Fe

done at an early day, and the building pushed forward to completion as rapidly as possible. It will be similar in design and proportions to the Santa Fe depot.

committee.

The plan is thought by the committee to be simple and effective with no ultimate sacrifice to any interest. It involves the annual obligatory interest of \$1.115,000 and conditional interest of \$70,000, supplies about \$3,000 000 in cash for expenses and repairs, and preserves all al-liances, tonage and pools.

# Marshail, Paris & Northwestern

came in from New York yesterday, where they have been for some time making arthey have been for some time making arrangements with capitalists for money enough to complete that road from Marshall to Paria. From Mr. Scott it is learned that money has been secured, and while they were in New York they contracted for enough fron to lay five miles more of track. This makes thirty-two miles in all completed, but are long Paris will be tied to Marshall with the ties of a steel rail.

J. F. Hinckley, which making are report that he was drowned in the Arkan sas river in the Nation some time last fall. The people here were loth to be lieve the report, and Sheriff McDonaid, by diligent search, got upon his trail, and after following him through several countries, arrested him in Milam county, and he now languishes in jail at this place. Wm. Hascon, alias Bill Dawson, was arrested here yesterday by Deputy Sheriff Mars on charge of the theft of a horse. The horse is said to have been stoley in

J. F. Hinckley, chief engineer of the Paris & Great Northern Railway com-Paris & Great Northern Railway company, on pesterday paid out \$9100 for right of way over the land that was condemned in the city for that purpose. Mr. Hinckley will leave in a few days for the city council yesterday under the existing local-option law, which is in effect to the council there.

# Sensible Hoxie.

Special to the traserce Et. Paso, Tex., April 27. Dr. John Ennis, immigration agent of the Texas & Pacide, and Jao. R. Hoxie arrived to-day. Dr. Eanis brings the good ildings that he has accomplished what he has been work-

any route they may choose for their re-turn trip. These sckets will be issued next October and be good for nine

months.

Mr. Ennis is accompanied by John H. Hoxie, a brother of Railway Manager Hoxie, and a wealthy banker of Chicago. Mr. Hoxie in conversation to-day said for the past six years he has been of the opinion that Galveston, Fort Worth and El-Paso are to be the three largest chics of

# SHERMAN.

Discussing New Outlets Yet to Se Built, with Prospective Benefits to the City.

A Horse with a Mustache the Envied of Many Loung Men-May Make New Bishops.

ocutal to the dissette SHREMAN, TEX., April 27 .- The city is

exceedingly quiet this week, and but for the farmers' emiling faces that Illuminate our streets and help us to rejuice over the late refreshing rains, things would There is lots of speculative talk about

railroad projects and additional benefits to our commerce in new outlets jet to be built, otherwise the ordinary loafers would have nothing with which to occupy their time.

Capt. J. A. Frey and wife of Steph-ensylle, Erath county, came to Sherman yesterday to visit their daughter, Adele Frey, who is dangerously sick with pueu monta at North Texas Femals college, where she is attending school. The young lady is in a very critical condition, out her physicians are hopeful of a favorable charge within the next twenty four

Dr J. B. Stinson of this city left on the 2:35 train this morning to attend the State Medical association in session to-

Rev. M. C. Blackburn of Gainesville came over this morning to attend a meet-ing of the curators of North Texas college, which met in the chapel of the from Tarrant, college at 4 o'clock this afternoon for Submitted the transaction of important business. Mr. Blackburn is a delegate to the general conference of the Mathodist church, South, which meets in Richmond, Va., May 5, and will go directly from Sherman to that meeting.

It is expected that several new bishops

On briefs for both parties—Klein vs. the city of Dalias, from Dalias.

In the two cases of Nye et al. vs. Moody, from Wichita, both the motions to

for that church will be chosen during the file transcripts and the motions to affirm session, and it is to be hoped that Texas on certificates were overruled. may be able to furnish at least one out of the abundance of good material to be found in the clergy of our state.

Rev. J. M. Binkley of Sherman was mored with some votes at the last general conference, when he had no aspira-tions in that direction, but if Texas has a son whose devotion to the cause of the church and whose sound common sense and executive ability would challenge the support of his breibree, that man is Jacob Monroe Binkley. He is not an orator nor a sensational preacher, but has a head chock full of practical knowledge and heroic logic that is not to be disregarded when an executive head for a great organization is to be chosen.

From a neighbor who knows we get the information that the grangers' good wives about Pecan Grove school-house, five miles west of the city, are already prepar-ing for the picule on May I, and expect to have a grand day when their friends meet them under the shady groves at the appointed place Everybody who chooses to come is cordially invited, and will meet a cordial ome, and especial attention will be paid to the candidates who go out to fas-cinate the people with their seductive smiles and bearty hand-shakes. Uncle Billy Wheat, who has so long

served the county in the capacity of com-missioner, has extermined not to run again, but he will keep up his winning ways with the sovereigns, and knows that he retires to private life with the solid friendship of every fair-minded man in Sherman to-day, and everybody pro-plicable, the question would be nounced it better than that on which good one. Affirmed. Per curiam.

long enough to get well.
